- Watching movies and series
- Travelling and exploring
- Listening to music
- Playing Cricket

Projects

Smart Tourist Guide

Developed a tourism planning application that allows users to select a state and trip duration to generate famous tourist places and a day-wise travel plan for better trip planning.

Helmet Remainder System

Designed a safety system where a bike will not start unless the rider wears a helmet. The system uses sensors to detect helmet usage and helps reduce road accidents by ensuring rider safety.
